

## **Volunteers to the Swedish pavilion at Expo 2020 Dubai**

### **Background**

The Swedish participation at Expo 2020 is the government's largest investment on trade, investment and tourism promotion. The aim is to promote Sweden as a knowledge society and the competitiveness and creativity of Swedish industry, as well as to strengthen a versatile and positive image of Sweden abroad.

The Swedish pavilion will host a public exhibition, a conference section for the participating companies and organizations, and a broad programming content both inside and outside the pavilion. A number of high-level delegations, both from the public and from the private sector, will occur during the six months of Expo 2020.

### **How can you contribute?**

Managing a project of this magnitude requires a lot of resources. It is a fantastic opportunity to be part of, but perhaps everyone is not able to work with the Expo full time. Therefore we are offering candidates to take part on a more ad-hoc basis. It could very well be on one or several occasions when an extra hand is needed. This could be for example:

- Logistics support in conjunction with high level visits and special events
- Driving and hospitality services on special occasions
- Serving in different areas such as the exhibition, conference section, playground, shop, catering and roof-top terrace.

### **Profile**

- Experience from international events.
- A driven and representative individual who can represent Sweden in official contexts.
- Fluency in oral English, knowledge of Arabic is an advantage.
- Well-rooted in Dubai with a good network of contacts.

### **Contract period**

Volunteers will be hired on an ad-hoc basis when needed. For those interested, training will take place at the Swedish pavilion 1 – 19 October in Dubai.
